

SATURDAY MORNING SPECIAL OF ALBRIGHT UNITED METHODIST CHURCH CELEBRATES ITS 40th ANNIVERSARY

In the mid 70's the pastor saw a need for a ministry for people of all ages with special needs. This ministry has continued for 40 years at Albright United Methodist Church in South Connellsville, Pa.

There have been several leadership teams that have kept it going all these years. Many people have volunteered their time to help those who attend. They are here around 2 hours. They sing songs, have a story time and prayer. Then they do a craft that is followed by a meal provided for them by the church.

They meet the first and third Saturday September through December and February through May. People come from group homes and individuals living with family also attend.

At the last gathering in May they do a variety of things in addition to the regular routine. They play games (with prizes) outside if weather permits. They are a happy group of people who appreciate every little thing we do for them. The Sunday after their last gathering, they are our special guests in the Sunday morning worship service. They sing a few songs that everyone enjoys. This service is followed by a meal in the church dining hall. On Sunday, May 21, 2017 we will celebrate the 40th anniversary of this ministry.
